PREFACE

The Self Study report is the most valuable and precious document for the college towards its concentrated efforts to get accreditation by national assessment and accreditation council (NAAC). It is prepared with utmost care, spirit of sincerity and honesty. We fill immense pleasure to submit self study report (SSR) based on the facts and instructions as laid down by NAAC. It is necessary for quality enhancement and improvement of college.

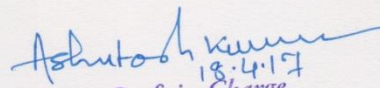

Badri Narayan Mukteshwar College, Barhiya is a Constituent unit under T. M. Bhaglapur University, Bhagalpur. This college was established in 1958 with a clear vision and mission to champion the cause of literacy and higher education for the meritorious, upcoming talented rural students as well as economically backward sections of the society. It is one of the pioneer institutes of the locality situated in the bank of Ganga (Barhiya), Lakhisarai District. The chief objective of the college Since its inception, has been to shape the young mind with the urge for creativity, Spirit of tolerance and scientific tempo.

This college imparts education in ARTS, Science with entire satisfaction to students, parents, and guardians.

Not to rest on our laurels and accomplishments we are extremely pleased to submit this SSR for NAAC accreditation. This report is the outcome of collective effort of the entire teachers, non-teaching staffs and students of the college. I deeply appreciate the efforts made by the entire team to complete the SSR report of the college. This college is striving hard to carve a niche for itself on the state's education map by adopting new and innovative skills.

I wish all our present and previous students grand success in life. I am looking forward for your kind response to the SSR submitted by the college.

Thanking You

WRITING AND COMPILING THE SELF STUDY REPORT (SSR)

I feel pleasure to write the self study report (SSR) of Badri Narayan Mukteshwar college, Barhiya . It has been an onerous task assigned to select members of I.Q.A.C team. The SSR could not have been possible, had each teaching and non-teaching staff of the College not co-operated and guided us from time to time to complete the task in the manner the I.Q.A.C. team of the college virtually visualized or dream about it. Apart that, the I.Q.A.C. team is prostrate with gratitude towards revered prof. incharge Dr. Ashutosh Kumar who remained all the time on his toes to guide and motivate us while penning SSR of the college. Dr. Ashutosh who happens to be a Prof. in-charge since almost inception of the college, as the prof. In-charge of the college having so great experience, is in fact a cornerstone of our strength and fortitude while completing the SSR within the stipulated period. It is no denying that SSR preparation required a virtual test of our patience and patience so that we could come up to the expectation of NAAC. Besides, it is not a work of solo effort for any mortal being, but it is a concentrated team work of the college to achieve the desired goal towards scintillating excellence in the field of higher education and research pursuits for both the teachers and the thought.

The IQAC team is thankful to all those who worked hard to obtain inputs including data and figures to prepare the SSR with special thanks to Dr. Kumar Prabhakar for regular motivation. Indeed the SSR would not have been completed in the present form, design and text with their efforts. The history of our college has been a constant voyage for improvement in quality teaching under the able guidance of academics of repute. The College IQAC team also wish to thank profusely to all those who have been a part for preparing the SSR for NAAC. The IQAC team also thankful to Dr. Anandi Kumar and Dr. Murlidhar Prasad for their efforts and co-operations.

we are looking forward to the visit of the NAAC peer team at our college with soaring hopes and expectations that the peer team would acknowledge our precious little efforts and achievements for an all round development of the college.

Executive Summary- A SWOC ANALYSIS

Brief History of the College

In the backdrop of emerging Indian nationalism in the last quarter of the 19th century with its quest for an educational system incorporating the ethos of Indian value system and nationalism, Badri Narayan Mukteshwar College was founded in 1st august 1958 with broad based community support. In the course of time, it has evolved into the most prestigious institution of learning in Central Bihar. Its claim of being a parent institution of present Tilka manjhi Bhagalpur University, Bhagalpur is justifiable on account of the fact that all the Under Graduate Departments of the University have branched out from this institution. The overarching theme of the vision, mission and objectives are overlapping as the basic motto of the institution is to shape the students into a sensitized, self reliant citizens of the country imbued with ideals of secularism and scientific temper. Like any other pristine institution the vision, mission and objectives of the college have some core essentials which are timeless in nature and characteristics but the flexibility is also reflected in the above categories with the incorporation of the needs of changing times and the demands of the society.

In the beginning, college was affiliated to Bihar University and later to Tilka Manjhi Bhagalpur University, Bhagalpur. In the beginning college had only arts faculty and in 1968 college started science faculty.

offers three year degree programme in Science and Arts. The syllabi for the three year degree programme are settled by the Tilka Manjhi Bhagalpur University, Bhagalpur. Students in degree classes (B. Sc. & B.A.) can offer one of the subjects for their Honours course and shall have to opt for two more subjects as subsidiary. For example, a student intending to study degree course with honour in science can offer Physics/Chemistry/Mathematics/Botany/Zoology for Honours course and study any two of the aforesaid subjects consisting of 100 marks each as subsidiary. Likewise a student of Art can offer Political Science/History/Economics/Philosophy/Mathematics (Arts), Hindi/English/ Urdu and Sanskrit for Honours Course and would study two more of the aforesaid subjects consisting of 100 marks each as subsidiary. In addition, the student of degree classes must

either opt for a full paper (100) marks in Hindi or a half paper (50) marks in Hindi and the other half in Urdu/Sanskrit/English.

Criterion-1-Curricular Aspects.

Badri Narayan Mukteshwar College, Barahiya is the oldest institution of higher learning in the district of Lakhisarai, rendering services for last 56 years the college was established in 1958 with the sole objective to impart Quality education to the students of the area at tertiary level. Late Badri Narayan Mukteshwar, have a dream to open a higher learning institute for the student of rural area. After the death of Badri Narayan, the dream of opening a college at rural area, work was actualized with active cooperation and hard work of social workers of Barhiya. The chief objective of the college since its inception has been to shape the young minds with the urge for creativity sprit of tolerance and scientific temper, to cope with changing needs of the society and economy.

In the beginning, college was affiliated to Bihar University and letter to Tilka Manjhi Bhagalpur University, Bhagalpur. In the beginning college have only arts faculty and in 1968 college started science faculty.

B.N.M College, Barhiya offers three year degree programme in Science and Arts. The syllabi for the three year degree programme are settled by the Tilka Manjhi Bhagalpur University, Bhagalpur. Students in degree classes (B. Sc. & B.A.) can offer one of the subjects for their Honours course and shall have to opt for two more subjects as subsidiary. For example, a student intending to study degree course with honour in science can offers Physics/Chemistry/ Mathematics/Botany/Zoology for Honours course and study any two of the aforesaid subjects consisting of 100 marks each as subsidiary. Likewise a student of Art can offer Political Science/History/Economics/Philosophy/Mathematics (Arts), Hindi/English/ for Honours Course and would study two more of the aforesaid subjects consisting of 100 works each as subsidiary. In addition, the student of degree classes must either opt for a full paper (100) marks in Hindi or a half paper (50) marks in Hindi and the other half in English.

CRITERIONS-2- TEACHING LEARNING AND EVALUATION

B.N.M College admits students on the basis of academic records followed by interview and abides by the reservation policy of the government of Bihar. The college pursues the academic calendar prepared and circulated by the Tilka Manjhi Bhagalpur University, Bhagalpur. The syllabi are accordingly split into convenient piece by the

department concerned. Class routine is prepared by the professor In charge and classes are distributed among teachers by the heads of different departments. Weak students are given opportunity for special tutorials by the teachers in every department.

The college has four permanent teachers (Including Prof. in charge). & five Guest teachers. Faculty members have doctoral degree to their credit and almost all the teachers keep on writing articles of fair quality. Teaching work (both theoretical and practical classes) is entirely managed by the permanent teachers as well as Guest teachers. The regular lecture method still continues to be the most favoured mode of teaching pedagogy. However, In Science Faculty, practical classes are carefully conducted by experienced teachers. Keeping in view the recommendations of the NAAC. Most of the departments have been provided with computer facilities.

Criteria –3- Research, Consultancy and Extension

B. N. M College, is rural and backward area college. So it has not been smooth harbor for research oriented and creative teachers. The teachers in Science, Social Science and Humanities have not been working on sponsored self financed research projects. There is a 'Career, Counseling and Placement Cell which enlightens the students on the relevance and ramifications of courses in traditional disciplines at this age globalization. This cell, on the one has, circulates the downloaded information on job opportunities, scholarships, student exchange programmes etc. to the students of all the four faculties through the heads of different department; and on the other organizes lectures by experts in various discipline including management professionals. The faculty members of this college also work for a number of extension activities. But such activities are undertaken chiefly by the NSS & NCC Every year the NSS & NCC units conduct about many programmes on issues of high social relevance, e.g. rural sanitation, AIDS awareness, Water harvesting, forestation, Norms of democratic behaviors etc.

Criterion 4 – Infrastructure and Learning resources:

B. N. M College, Barhiya is situated in rural and backward area of Lakhisarai district. There are separates building for Science and Social Science. Similarly Administrative Block, Central library, Common room, Vehicle shade and Girls Common room, have their independent buildings.

This college has provided computer, Internet, CC TV camera, Fax & Xerox facilities to almost all the departments. The Central Library, which works on college working day, has independent computer attached with internet facility. Faculty members, students and staff can avail of this facility during working hours. Since Barhiya suffers from perennial shortage of electricity, the college provides stand by (generator) system for smooth operation of gadgets. The college has also installed solar system. The faculty members, students and the staff can avail of this facility during working hours. There is a canteen a Primary Health Centre in College Campus. The faculty members, students and the staff can get cool and filtered drinking water during working hours.

Criterion –5 –Student Support and Progression:

The faculty members and technical staff of this college anxiously work to produce Quality Human Resource. Most of the students of this college get into prestigious technical institutions and come out as excellent engineers, leader, doctors and management professionals. Besides the regular training of students, ‘Coaching for Entry in Services’ prepare the students from disadvantaged groups for various competitive examinations leading to entry into Bank/Railways/SSC and other types of jobs. Poor students are provided financial relief by the college. Students Scholarship programme of the UGC comes for the rescue of many students. The quality of the students of this college often reflects in their real-life conditions, while they interacts or while they appear for an interview.

Criterion- 6- Governance, Leadership and Management:

B.N.M College is a constituent unit of Tilka Manjhi Bhagalpur University, Bhagalpur. The Principal handles all issues regarding the office, students, departments and the teachers within the prescribed guidelines of the University. There is a staff council where the Principal explain the policies to be followed in general. This council also works as a forum form where the Principal often addresses the members of teaching as well as non-teaching staff to motivate them for better and still better performance. The Principal constitutes different committee consisting of senior teachers. There committee deliberate on concerned issues and advise the Principal on appropriate mode of decision for the conduct of business in the college. The principal being the chairperson of all such committee works to put the resolutions taken by committees to practice.

Such Committees are:

1. Admission Committee;
2. Purchase Committee;
3. Sports Committee;
4. Library Committee;
5. Development Committee;
6. Committee of Examination Reforms, etc;

In addition to these committees most of the senior teachers are drafted as coordinators of various cells constituted for certain classified purposes.

To name of few:

1. Career and counseling cell;
2. Cell for the Redress of Grievances;
3. Cell for Insuring opportunity, Discipline, attendance, working hours and manners of interpersonal transaction. In as much as accounts are concerned, the University appoints, from almost the senior teachers for Bursar for a period of three years.

CRITERION 7: INNOVATIONS AND BEST PRACTICES.

Participative Management through Delegation of Powers and Eco Volunteers are best practices adopted by the institution. Head of the institution has to spend lot of time for discharge of administrative and academic duties. Division of duties and participative management relieves him of excess administrative burden and thus provides ample time for planning, execution, inspection and maintenance of transparency as well. The college suffers acute shortage of supporting staff to look after the lawns, watering the plants, planting new saplings, training and pruning the old trees and shrubs etc. Also college doesn't have sufficient funds to hire labour for all these works. To avoid the process of drying up of trees, herbs, shrubs, plants and lawns for lack of care and beautification of the campus a group of Eco Volunteers has been raised in the institution.

SWOC Analysis of the College

“S” Strengths:

- Caters to the Educational needs of the rural youth.
- It is situated on National Highway and is easy to approach.
- The biggest strength of B.N.M College, Barhiya is the strength of students are belonging to the rural and weaker section of the society (SC/EBC/OBC/Minorities) Economically Backwards) which stands testimony to our social commitment.
- The college has a dedicated teaching & non-teaching staff who is managing the Institution against all odds.
- Present principal of this college Dr. Ashutosh Kumar is a visionary and dynamic personality who acts actively in the inclusive holistic growth of the college.
- It has well maintained campus with innovative practices, there is sufficient number of class-rooms, well maintained and automated library, well equipped laboratories and dense green campus with several types of flora and fauna.
- ICT (Information & Communication Technology) facilities such as smart class, Wi-Fi in campus etc.
- Most of the teachers of this college are Ph.D. degree holders and they are actively engaged in research activities.

“W” Weaknesses:

- Acute shortage of permanent teaching and non-teaching staff against sanctioned post and it is difficult to achieve desired outputs in academic activities with part-time or adhoc teachers.
- The students – teacher ratio is quite high and non conducive and there is need for immediate recruitment of teaching & non-teaching staff.
- The greatest weakness is our lack of financial freedom, as all our revenue is under the control of the university and it produces great hindrance in the development of college.
- Very few number of vocational course, only one can be started in recent years, due non-availability of different vocation courses approved by university course regulatory bodies.
- Hostels for students and staff quarter including principal residence and guest house is not available in the campus.
- The lack of exposure, of our faculty, to the rapid changes that are taking place in the field of higher education in this era of globalization and liberalization. The need for

change to become globally competitive need for adoption to the changing role of a teacher, from that of a knowledge giver to that of a facilitator, providing necessary inputs and environment to its students, and develop the capacity to think critically, and contribute effectively, to achieve social change, etc.

“O” Opportunities.

- There is ample scope for Agro based vocational courses like Rural Reconstruction and Development management, Sericulture, Add-on course in Dairy technology, regular as well as Ad-on course on Fish & Fisheries etc. to be started in the college so as to make it a better centre of learning with placement opportunities.
- There are opportunities in the field of sports and other extra co-curricular activities as the college has won several laurels in all such areas.
- Ample scope for starting Post Graduate courses.
- Borderless knowledge scenario in the wake of liberalization and use of ICT to reach out to the global pool of knowledge.

“C” Challenges:

- To achieve academic excellence by utilizing part-time, adhoc and resource persons, since there are few permanent teachers remained in service.
- Limitations and constraint in government financial support as well as in utilizing revenue of internal resource for better management and resource mobilization for uplifting the academic and student's support facilities in college.
- To motivate the faculty and university officials to bring change as per the demand of job market in the courses of studies and progressive paradigms in Higher Studies.
- To make the Institution an entity of National Importance.
- Paucity of space and physical infrastructure.

Looking Ahead: Future Plans.

- Developing the college into a centre of education with Potential of Excellence.
- To make Agro based Research Centre.
- To construct an auditorium with state of the art seating, sound and light system so that National & International level Seminars / Conferences / Symposia are organized.
- To make the admission process online from the next academic process online from the next academic session.

- To develop a good sports complex.
- To start P.G. courses and several agro based vocational courses
- To organize more community development work.

C. Criteria-Wise Inputs

CRITERION I : CURRICULAR ASPECTS

1.1 Curriculum Planning and Implementation

1.1.1. State the vision, mission and objectives of the institution, and describe how these are communicated to the students, teachers, staff and other stakeholders.

In the backdrop of emerging Indian nationalism in the last quarter of the 19th century with its quest for an educational system incorporating the ethos of Indian value system and nationalism, Badri Narayan Mukteshwar College was founded in 1st august 1958 with broad based community support. In the course of time, it has evolved into the most prestigious institution of learning in Central Bihar. Its claim of being a parent institution of present Tilka manjhi Bhagalpur University, Bhagalpur is justifiable on account of the fact that all the Under Graduate Departments of the University have branched out from this institution. The overarching theme of the vision, mission and objectives are overlapping as the basic motto of the institution is to shape the students into a sensitized, self reliant citizens of the country imbued with ideals of secularism and scientific temper. Like any other pristine institution the vision, mission and objectives of the college have some core essentials which are timeless in nature and characteristics but the flexibility is also reflected in the above categories with the incorporation of the needs of changing times and the demands of the society.

Vision

After post independent, the noble thinkers of every corner try to uplift the ecology and environment of our ancient glimpses needful to our nation. In the dimension of higher education in very remote area of old Barhiya village and it's surrounding which have a ample of lands and situated between Gangetic and Large Tal area, visionary late Gopeshwar Pd. Singh, a freedom fighter and landlord of this area established this co-educational institution for the welfare of the huge masses of 30 square mile resident to associate with the power of knowledge in 1958, to make our country real literate.

Mission

Co-integral with the vision is the mission to equip the students with modern world view, team spirit, independent and original thinking for becoming pioneers in their own fields.

Objectives

- ☐ Inculcation of family and social values
- ☐ Creation of sensitized citizens
- ☐ To make the students socially and culturally aware.
- ☐ Making them aware of the cultural heritage of India.
- ☐ Training them to be economically self reliant.

Communication to Stakeholders

The vision, mission and objectives of the institution are periodically discussed in the meeting of the Staff Council. One of the aims of these meetings is to keep young teachers abreast with the stated vision and mission of the college. In the second stage they are seriously discussed in the three-day orientation programmes for the newly inducted students and teachers are requested to informally feed the students the vision, mission and objectives of the college.

1.1.2. How does the institution develop and deploy action plans for effective implementation of the curriculum? Give details of the process and substantiate through specific example(s).

The college develops action plans for effective implementation of the curriculum in the following ways:

- (a) At the outset, the IQAC of the college conducts protracted meetings with the heads of different departments to develop different strategies for effective implementation of the curriculum.
- (b) Teachers are apprised of the decisions of IQAC and encouraged to impart the curriculum through innovative teaching method like presentations, assignments, discussions, workshop, and seminars, industrial visits (wherever

required), computer education etc., apart from traditional (chalk & talk) teaching methods.

(c) In the departmental council meetings, the staff members of various teaching departments prepare academic plans for the coming academic year in the light of the IQAC decisions and recommendations.

(d) Each department of the college follows the academic calendar issued by the university. The syllabus is divided into units which are to be finished by a given deadline.

(e) The progress of the syllabus is monitored through getting the feedback from the students by senior most members of faculty and communicated to the IQAC and the Principal for review.

Note: Language paper in UG course can be MIL Hindi for 100 Marks or 50 Marks of Non Hindi + 50 Marks of Alt Eng/Urd can be selected.

1.2.4 Does the institution offer self-financed programmes ? If , yes, list them and indicate how they differ from other programmes, with reference to admission, curriculum, fee structure, teacher qualification, salary etc.

No, the college has not offers any self-financed programmes.

1.2.5 Does the college provide additional skill oriented programmes, relevant to regional and global employment markets? If , yes. Provide details of such programme and the beneficiaries.

Yes, the college provides additional skill oriented programmes relevant to regional and global employment markets. Details of such programmes and beneficiaries are as follows:

- Communication skill development programmes through the language lab.
- Project work programme at U.G. level. This promotes critical thinking, analytical capacity which are useful for them when they take up the research work after completing their U.G. degree.
- We provide Internet literacy facilities to build additional skill for competitive exam.
- We provide remedial coaching for providing additional skill for those who are lagging behind for some reason or the other.
- Our Community College programmes are especially skill oriented and are designed and developed to be beneficial for the socioeconomically disadvantaged and marginal groups of students.

1.2.6 Does the University provide for the flexibility of combining the conventional face-to-face and Distance Mode of Education for students to choose the courses/combination of their choice? If yes, how does the institution take advantage of such provision for the benefit of students?

University rules do not permit such combination.

1.3 Curriculum Enrichment

1.3.1 Describe the efforts made by the institution to supplement the University's Curriculum to ensure that the academic programmes and Institution's goals and objectives are integrated?

- The college encourages teachers and students to organize seminars and workshops on topics of social, economical and scientific relevance.
- Special classes and counseling sessions are organized for students of this college enabling them to tackle the competitive examinations and job market.

1.3.2 What are the efforts made by the institution to modify, enrich and organize the curriculum to explicitly reflect the experiences of the students and cater to needs of the dynamic employment market?

In our system, the curriculum and syllabus is decided by the University and college can't modify it. However, the college has made several endeavors to enrich it, The Principals as a member of Academic Council carry it out.

1.3.3 Enumerate the efforts made by the institution to integrate the cross cutting issues such as Gender, Climate Change, Environmental Education, Human Rights, ICT etc., into the curriculum?

- ❖ These issues are discussed in the Academic Council and curriculum is accordingly adapted
- ❖ The college NCC & NSS wing is regularly organizing Campus as well as Workshops and Seminars on topics like ecological problems, dowry, female infanticides, gender discrimination, women empowerment, cleanness programme, cancer awareness programme, anti drug Campaign. & Blood donation awareness etc.

1.3.4 What are the various value-added courses/enrichment programmes offered to ensure holistic development of students?

In order to provide value-added courses to ensure holistic development of students, short-term training programme camps are organized by NSS & NCC, career and counselling cell, for evolving moral and ethical values, community orientation, employable skills and better career options.

1.3.5 Citing a few examples enumerate on the extent of use of the feedback from stakeholders in enriching the curriculum?

There is both formal and informal mechanism for taking feedback from the students and the industrial partners on the basis of feedback from students, some new aspects in the curriculum such as field trips, oral history, case studies have been introduced. Educational Excursion which were discontinued have been revived on the demands of the students.

1.3.6 How does the institution monitor and evaluate the quality of its enrichment programmes?

Continuous and regular interactions with different groups of students based on gender (boys and girls) caste (OBC, EBC, SC AND ST) Religion (Hindu, Muslim) give us essential feedback through various workshops and panel discussions. Also, the Teacher-Parent meet serves as an important forum to receive the necessary feedback.

1.4 Feedback System

1.4.1. What are the contributions of the institution in the design and development the Curriculum by the University?

The College plays no role in the design and development of curriculum prepared by the University.

1.4.2. Is there a formal mechanism to obtain feedback from students and stakeholders? on Curriculum? If yes, how is it communicated to the University and made use internally for curriculum enrichment and introducing changes/ new programmes?

Yes, The College has evolved a formal mechanism to obtain feedback from students, guardians and teachers through mentor system and grievance cell suggestions so received are employed for enrichment of curriculum as also for introducing changes accordingly.

1.4.3. How many new programmes/Courses were introduced by the institution during the last four years? What was the rationale for introducing new courses/ programmes?

- No new programmes/courses were introduced in the college during the last four years. However, commerce faculty is supposed to be commenced soon.

CRITERION II: TEACHING-LEARNING AND EVALUATION

2.1 Student Enrolment and Profile

2.1.1 How does the College ensure publicity and transparency in the admission process?

Admission notice in degree courses is publicized through print and electronic chronic media as per directions of the University. Proper care is taken to advertise the minimum cut off marks and reservation for different categories as per state Government guidelines. Students with sports background, NCC, NSS and Co-curricular activities are allowed 2%, 2%, 2% and 4% reservations respectively. Full transparency is maintained and admission is monitored by a team of faculty members during, the process of admission following completion of admission, the University is informed about details of admission.

2.1.2 Explain in detail the criteria adopted and process of admission (Ex.

- (i) Merit,**
- (ii) Common admission test conducted by state agencies and national agencies**
- (iii) Combination of merit and entrance test or merit, entrance test and interview**
- (iv) Any other) to the various programmes of the Institution.**

Students get admission only on the basis of merit in this college provided they have secured a minimum of 45% marks in the previous examination.

2.1.3 Give the minimum and maximum percentage of marks for admission at entry level for each of the programmes offered by the College and provide a comparison with other Colleges under the affiliating university within the city/district.

Minimum percentage of marks at entry level is 45% and there is no limit of maximum percentage of marks. Minimum and maximum percentage of marks at entry level for admission in each of the programmes offered by the college is equivalent to that in all other colleges.

2.1.4 Is there a mechanism to review its admission process and student profiles annually? If, yes, what is the outcome of such an effort and how has it contributed to the improvement of the process?

We have put in place a mechanism to review the admission process through our admission and attestation committee. As the number of students seeking admission has steadily gone up in recent years, we do feel a proper mechanism be developed for admission in the years to come we do maintain a profile (gender wise, caste wise, religion wise) of students and keep various agencies informed about it so that we may get proper suggestions for improvement of the process of admission. If students of any particular section of society are found less represented, they are motivated next year. The profiles of students help us to know which students have done well in other activities. We see to it that they are duly rewarded for their praise worthy performances.

2.1.5 Reflecting on the strategies adopted to increase / improve access for following categories of students, enumerate on how the admission policy of the institution and its student profiles demonstrate/reflect the National commitment to diversity and inclusion

- ☐ **SC/ST**
- ☐ **OBC**

- ☐ **Women**
- ☐ **differently abled**
- ☐ **Economically weaker sections**
- ☐ **Minority community**
- ☐ **Any other**

The college always sticks to its strict policy to follow reservation roster of Government of Bihar in its letter and spirit. It is clearly reflected in the number of students of various categories SC/ST, OBC, Women, differently abled economically weaker sections, minority communities, sports person, NCC, NSS etc. A look at our student profile clearly manifests the National Commitment to diversity and inclusion of these groups.

2.1.6 Provide the following details for the various programmes offered by the institution during the last four years and comment on the trends. i.e., reasons for increase / decrease and actions initiated for improvement.

Programmes (UG)		Number of Applications	Number of students admitted	Demand ratio
B.A – Arts	2014-15	997	997	1:1
B.Sc – Science		152	152	1:1
B.A – Arts	2015-16	334	334	1:1
B.Sc – Science		68	68	1:1
B.A – Arts	2016-17	241	241	1:1
B.Sc – Science		55	55	1:1

Increase in the number of students is due to improvement in infrastructure and facilities like library with modern reading room, sports facilities etc

2.2 Catering to Student diversity

2.2.1 How does the institution cater to the needs of differently-abled students and ensure adherence to government policies in this regard?

The college caters to the needs of differently-abled students with sympathy and sensibility. Faculty members and office staff help and assist them, going out of way. We obviously stick to Government policies in this respect.

2.2.2 Does the institution assess the students' needs in terms of knowledge and skills before the commencement of the programme? If, yes, give details on the process.

The College has a mentor system and Grievance Redressal cell that interact with such students on their specific requirements and sensitize faculty and staff members to assist these differently-abled students with tender care and sensible methods.

2.2.3 What are the strategies drawn and deployed by the institution to bridge the Knowledge gap of the enrolled students to enable them to cope with the programme of their choice? (Bridge/ Remedial/Add-on/Enrichment Courses, etc.).

In order to bridge the Knowledge gap of enrolled students, to cope with the programme of their choice, special classes are arranged by the teachers. Printed materials and help books are given to such students so that they may have more knowledge and better grasping capacity.

2.2.4 How does the College sensitize its staff and students on issues of gender, inclusion, environment etc.?

The college sensitizes its staff and students on issues like gender, inclusion, environment etc through often organized panel discussions, debates and workshops by NSS and various departments.

2.2.5 How does the institution identify and respond to special educational/learning needs of advanced learners?

Teacher mentors are there to identify students for special educational learning needs of advanced learners and suggest how they can improve their knowledge and performance. Such students are easily identified in the classroom. Teachers give special learning materials to advanced learners. They are made to understand core concept and its application in the extra time allotted to them.

2.2.6 How does the institute collect, analyze and use the data and information on the academic performance (through the programme duration) of the students at risk of drop out (students from the disadvantaged sections of society, physically challenged, slow learners, economically weaker sections etc.)?

It is the responsibility of the teacher mentors to collect, analyze and use the data of disadvantaged sections of society or differently abled students or slow learners or weaker sections to ward off risk of their drop-out. Adequate attention is paid to find a suitable solution to the problem facing such students.

2.3 Teaching-Learning Process

2.3.1 How does the institute plan and organize the teaching, learning and evaluation schedules? (Academic calendar, teaching plan, evaluation blue print, etc.)

In the wake of the Completion of admission process, teachers are directed to divide the syllabus month wise and come out with schedule to cover it. Internal examinations are conducted at regular intervals (2-3 months) to evaluate the students. The students thus evaluated approach their mentor teacher and place their problems before him which is solved by IQAC.

2.3.2 How does IQAC contribute to improve the teaching –learning process?

IQAC is meant to regularly interact with both students and teachers and receive feedback from them. The teacher concerned provides information about academic quotient of students, their problems and their shortcomings. Student's feedback leads us to know about the quality of education, percentage of syllabus covered and other draw backs. Thus IQAC serves as a link between students and teachers and helps to improve the quality of education imparted to the students.

2.3.3 How is learning made more student-centric? Give details on the support structures and systems available for teachers to develop skills like interactive learning, collaborative learning and independent learning among the students?

Teaching in our college has been rendered more student centric. For this, the syllabus stands split into small parts with time bound completion of teaching process and regular evaluation through internal examinations. Ample of time is allowed to the students to pose questions on the taught concepts. Students are exhorted to visit library regularly to promote independent learning with the aid of reference books available in the college library.

2.3.4 How does the institution nurture critical thinking, creativity and scientific temper among the students for transforming them into life-long learners and innovators?

Apart from the traditional classroom teaching, the college promotes debates on many issues, organizes camps through NSS, and ensures the participation of students in various workshops and panel discussions. These measures taken by the college transform students into life-long learners and innovators.

2.3.5 What are the technologies and facilities available and used by the faculty for effective teaching? Example: Virtual laboratories, e-learning - resources from National Programme on Technology Enhanced Learning (NPTEL) and National Mission on Education through Information and Communication Technology (NME-ICT), open educational resources, mobile education, etc.

The enriched library of the college has added to the teaching learning process here.

2.3.6 How are the students and faculty exposed to advanced knowledge and skills (blended learning, expert lectures, seminars, workshops etc.)?

Students get exposed to advanced level of knowledge through workshops, Conferences, panel discussions. Teachers are requested to participate in various seminars and conferences also to attend orientation/refresher courses. They are requested to undertake minor/major research project and organize state/national level seminars, conferences through funding from state/central agencies.

2.3.7 Detail (process and the number of students benefited) on the academic, personal and psycho-social support and guidance services

(professional counseling/mentoring/academic advice) provided to students?

250 students derived benefits through professional counsellors in personality development.

2.3.8. Provide details of innovative teaching approaches/methods adopted by the faculty during the last four years? What are the efforts made by the institution to encourage the faculty to adopt new and innovative approaches and the impact of such innovative practices on student learning?

In the last four years the college has developed a Mentor System. This system allows teachers to be flexible in mode of teaching and has made their teaching more students centric. This system mainly looks at the drawbacks of traditional face to face teaching and exhorts students to broaden their Knowledge through self reading in library and self searching on internet.

2.3.9 How are library resources used to augment the teaching-learning process?

Our college library has a set of standard text books (latest edition) and reference books. These books are purchased under strict guidelines of syllabus committee of University and University Grants Commission. Text books available in the reading room of the library impart basic knowledge of the subject whereas reference books under the guidance of teachers provide advanced knowledge.

2.3.10 Does the institution face any challenges in completing the curriculum within the planned time frame and calendar? If, yes, elaborate on the challenges encountered and the institutional approaches to overcome these.

Normally the college does not confront any problem in completing the curriculum within the timeframe and calendar but at times it is delayed due to examinations

(University/Intermediate Council) and elections. Under the circumstances, special classes are held for completion of the curriculum and 75% attendance.

2.3.11 How does the institute monitor and evaluate the quality of teaching learning?

IQAC is a monitoring committee to evaluate the quality of teaching learning certain parameters such as 75% attendance library visit and pass percentage is employed to monitor and evaluate the quality of teaching-learning process.

2.4 Teacher Quality

2.4.1 Provide the following details and elaborate on the strategies adopted by the College in planning and management (recruitment and retention) of its human resources (qualified and competent teachers) to meet the changing requirements of the Curriculum.

Teachers are recruited by selection committee/BSUSC. The state Govt./University is the sole authority for the recruitment and retention of teachers.

.4.2 How does the institution cope with the growing demand/scarcity of qualified senior faculty to teach new programmes/ modern areas (emerging area) of study being introduced (Biotechnology, IT, Bioinformatics etc.)? Provide details on the efforts made by the institution in this direction and the outcome during the last three years.

To cope with the demand for general courses like B.A, B.Sc, qualified teachers are employed as guest teachers. It has highly increased the number of students in Degree-I of three- year degree course.

2.4.3 Providing details on staff development programmes during the last four years elaborate the strategies adopted by the institution in enhancing the teacher quality.

a) Nomination to staff development programmes:

Academic Staff Development Programmes	Number of faculty nominated
Refresher courses	02
HRD Programmes	Nil
Orientation Progrmmes	Nil
Staff training conducted by the University	Nil
Staff training conducted by other institutions	Nil
Summer/winter schools, workshops, etc)	Nil

b) Faculty Training programmes organized by the institution to empower and enable the use of various tools and technology for improved teaching- learning

Teaching learning methods/approaches quantity get together with guest faculties, open discussions and individual presentations.

- Handling new curriculum.
- Content knowledge management.
- Selection, development and use of enrichment materials
- Assessment
- Cross cutting issues
- Audio Visual Aids/multimedia: desktops and Laptop, Net connectivity, visual aids OER'S
- Teaching learning material development, selection and use

c) Percentage of faculty

- Invited as resource persons in Workshops / Seminars / Conferences organized by external professional agencies - No
- Participated in external Workshops / Seminars / Conferences recognized by national/ international professional bodies - No
- Presented papers in Workshops / Seminars / Conferences conducted or recognized by professional agencies -No

2.4.4. What policies/systems are in place to re-charge teachers? (Eg: providing research grants, study leave, support for research and

academic publications teaching experience in other national institutions and specialized programmes industrial engagement etc.)

The college has a system of motivating teachers for self-improvement through ensuring their participation in different academic activities (Refresher/orientation Courses, conferences, workshops etc. NCC, NSS programmes and co- curricular activities like Camps, debates, visit to library etc.

2.4.5 Give the number of faculty who received awards / recognitions at the state, national and international level for excellence in teaching during the last four years. Enunciate how the institutional culture and environment contributed to such performance and achievement of the faculty members.

Nil

2.4.6 Has the institution introduced evaluation of teachers by the students and external Peers? If yes, how is the evaluation used for improving the quality of the teaching learning process?

- There is a feedback mechanism to evaluate the teachers by students and external peers has been introduced in the college. College takes feedback from all stakeholders and Regular student-teacher guardian meetings held in the college, help us become aware of the problems confronting the students. This knowledge of their problems helps us improve the quality of education.

2.5 Evaluation Process and Reforms

2.5.1 How does the institution ensure that the stakeholders of the institution especially students and faculty are aware of the evaluation processes?

The instructions issued by our University is conveyed to the students/faculty members. The faculty members let the students know of the instructions in the classrooms. Apart from this, a copy of the instructions is also displayed on the notice-board. Students are clearly made aware of the 75% minimum attendance as the prime condition required to appear at the final examinations. They are also informed about the internal assessment.

2.5.2 What are the major evaluation reforms of the university that the institution has adopted and what are the reforms initiated by the institution on its own?

The students are encouraged to participate in debate, Quiz, speech and other activities to assess their talent

2.5.3 How does the institution ensure effective implementation of the evaluation reforms of the university and those initiated by the institution on its own?

The results are displayed on the notice-board and the students are exhorted to see their evaluated answer-books so that they may prepare themselves better in the future. Transparency at every stage is maintained and the records are preserved for counseling of students.

2.5.4 Provide details on the formative and summative evaluation approaches adapted to measure student achievement. Cite a few examples which have positively impacted the system?

The college has little or no scope to evolve its own evaluation system as it is decided at University and government level. The college has, however, adopted group discussion, interview etc as formative evaluation measure. It helps us to be aware of the different aspects of personality of our students. We conduct internal examination more than once in a year at departmental level as form of summative evaluation process. It helps us to know their concepts and writing skills.

2.5.5 Enumerate on how the institution monitors and communicates the progress and performance of students through the duration of the course/programme? Provide an analysis of the student's results/achievements (Programme/course wise for last four years) and explain the differences if any and patterns of achievement across the programmes/courses offered.

As faculty members stand committed toward students by providing them quality education the inflow of student's increases steadily.

2.5.6 Detail on the significant improvements made in ensuring rigor and transparency in the internal assessment during the last four years and weightages assigned for the overall development of students (weightage for behavioral aspects, independent learning, communication skills etc.

There is no provision for adding the marks of the internal examination in the University examinations. The department ascertains the achievement level of students through written exam, group discussion and interview and the same is communicated to them in the classrooms in terms of A.B.C.D. grade.

2.5.7 Does the institution and individual teachers use assessment/evaluation as an indicator for evaluating student performance, achievement of learning objectives and planning ? If „yes“, provide details on the process and cite a few examples.

Teachers at departmental level distinguish slow learners from fast learners. They, thus, pay more attention to slow learners and work on their improvement.

The college remains very particular to promote a sense of knowledge enrichment to the students. The faculty members of all the departments organize seminars and workshops to motivate the students to pursue higher education as well as to develop their skills. The individual counseling is a regular feature of all the departments, in which students get a basic concept of life. Apart from the preparation for better results in the examinations, students are taught to develop the knowledge and skills for the requirement of employment market. The Counseling and Placement Cell provides entrepreneurial skills to the students to compete in the competitive examination.

5.2.4 Enumerate the special support provided to students who are at risk of failure and drop out?

The majority of the students come from tribal and rural background. Most of them are first generation learners whose parents are either small and marginal farmers or landless agricultural labourers. Most of them are suffering from inferiority complex. The faculty members become a good counselor to give them self-confidence and also extend necessary help in the form of extra counseling. The results of higher classes show their performances. It is due to the extra care undertaken by the faculty members towards such students. The drop-out case is very low. However, some of the girls students drop out in the midst of session due to some family problems or migration from this place and settle in other

places. College provides Remedial classes to the slow learners who are at the risk of failure and drop out.

5.3 Student Participation and Activities

Our students participate in all inter-collegiate competitions conducted by Tilka Manjhi Bhagalpur University, both cultural and sports.

5.3.1 List the range of sports, games, cultural and other extra-curricular activities available to students. Provide details of participation and program calendar.

- ☐ Youth festival for cultural meet.
- ☐ Eklavya for sport meet.
- ☐ Annual University meets.

5.3.2 Furnish the details of major student achievements in co-curricular, extracurricular activities and cultural activities at different levels: University / State / Zonal / National / International, etc. for the previous four years.

Through – NSS	:-	04 Students
Through – NCC	:-	14 Students

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 INSTITUTIONAL VISION AND LEADERSHIP

6.1.1 State the vision and mission of the Institution and enumerate on how the mission statement defines the institution's distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, institution's traditions and value orientations, vision for the future, etc.?

After post independent, the noble thinkers of every corner try to uplift the echology and environment of our ancient glimpses needful to our nation. In the dimension of higher education in very remote area of old Barhiya village and its surrounding which have a ample of lands and situated between Gangetic and Large Tal area, visionary late Gopeshwar Pd. Singh, a freedom fighter and landlord of this area established this co-educational institution for the welfare of the huge masses of 30 square mile resident to associate with the power of knowledge in 1958, to make our country real literate.

Our aim is to promote academic excellence by offering undergraduate which generate new knowledge that develops human potential to its fullest extent of intellectual capability. And we strive to create and sustain a community of learning in which students acquire knowledge and learn to apply the same professionally with due consideration for ethical, ecological and economic issues. Also, we aim to provide knowledge-based educational and research based services to satisfy the needs of the society. The goals and objectives of the institution are in conjunction with the core values of higher education like contributing to

national development, nurturing the global competencies among students, imparting value system to students, enhancing the use of modern technology and striving for excellence. Wherever it is possible, the college is very keen to fulfill its objectives.

6.1.2 What is the role of top management, Principal and Faculty in design and

Implementation of its quality policy and plans?

The Principal is the Executive Head of the academic functions and internal administration of the college. He is responsible for the maintenance of discipline and progress of the college. He looks after the overall day-to-day administration of the college. He is the link between the management and the faculty. He is the chairman and Convener of all forums including the Academic Council, Staff Council, Discipline Committee and Placement cell and other cells. He monitors the classes with the help of the Heads of the Departments.

Academic leadership lies with the Principal while the Secretary holds the administrative leadership. Smooth synchronization of these two positions is facilitated by the Governing Body. The Head of the Institution has given certain powers to various Heads of the Departments in a decentralized manner for the easy and smooth execution of the affairs of the department concerned. The plan of action is discussed with the Heads of the Departments and faculty members for implementation.

The Principal manages the teaching, non teaching staff members and students by a contingency approach. He has formal, functional and informal relationships with various internal stake holders. He plays the facilitator's role and conducts frequent meetings with the Heads of the

departments and the group tutors to review the academic, extra-curricular, research and extension activities, and student discipline. Emergency meetings are conducted in case of specific requirements.

6.1.3 What is the involvement of the leadership in ensuring?

The process of governance and leadership does not end with planning and implementation by the managerial part of the institution. The objectives of the college are communicated through the University administration and the Principal. The decisions are carried out in two dimensions, administration and academics. The Principal communicates all the decisions taken by University every now and then to be carried out through the departments. The internal administration of the institution also rests with the head of the institution. He is assisted by all the Heads of the Departments of various disciplines and the non-teaching staff. The Internal quality Assurance Cell of the college along with the various bodies coordinates in monitoring the function of the college. Minutes of the various committees are duly recorded.

]

6.1.4 What are the procedures adopted by the institution to monitor and evaluate policies and plans of the institution for effective implementation and improvement from time to time?

The faculty members are representatives of various committees and they have enough freedom to give suggestions and make decisions. Each and every staff member has the role of coordinating one cell with a prime

responsibility of managing or administering a portion of the institutional activity either academic or administrative.

6.1.5 Give details of the academic leadership provided to the faculty by the top management?

Our institution is managed by the Principal. His dynamic role keeps the entire teaching/non-teaching community of the college on an alert to deliver the best. Sincere appreciation is passed on to those who show exemplary success in reaching their target. Some who lag behind are morally supported and encouraged to tone up their performance. Recently, the various types of committees in the college have been raved up and reorganized with a view to achieve targeted goals in time.

6.1.6 How does the college groom leadership at various levels?

The Principal holds meetings of HODs of Departments. Decision and policies taken in the meeting are implemented by Heads of Departments. The staff meeting for all the teachers is held regularly. The Superintendent delegates administrative office work to the other

6.1.7 How does the college delegate authority and provide operational autonomy to the departments/units of the institution and work towards decentralized governance system?

In our college, Principal is the chief drawing and disbursing authority. All kinds of work are performed in the name of the Principal. The academic and internal evaluation systems of the college are operated through the Heads of the departments, who owe full responsibility of conducting curricular activities. Other responsibilities including co-

curricular, extracurricular, library, campus safety etc are under the supervision of separate bodies headed by teachers. There is a distinct disciplinary committee that takes care of discipline of students and others. This is in brief, how decentralized governance operates in our institution. The coordinator of vocational courses executes the decision taken in management committee in consultation with Principal.

6.1.8 Does the college promote a culture of participative management? If ‘yes’, indicate the levels of participative management.

Yes, our college believes strongly in participative management. This is one of the axes of our success. For example, at the departmental level there is a departmental council where decisions are taken to implement academic calendar without hustle. The council decides as to how the development work will progress, how and where the excursion of student’s trip will go and who will accompany the students in the trip. Similarly, the select committees decide how and where the chosen students will participate in sports and games. The selection of such students is done by the committee members purely on the basis of merit. Likewise all the committees in the college function and contribute their best in achieving excellence.

6.2 STRATEGY DEVELOPMENT AND DEPLOYMENT

6.2.1 Does the Institution have a formally stated quality policy? How is it developed, driven, deployed and reviewed?

Yes, our college has Internal Quality Assurance Cell (IQAC). The IQAC has been formulated as per the guidelines of the NAAC. The committee

is functional in the chairmanship of the Principal of the college. Periodic meetings of the committee are convened to implement/promote the adopted policies. As mentioned in the preceding chapters monitoring of qualities is accomplished through the formal committees, known as College Development Committee.

6.2.2 Does the Institute have a perspective plan for development? If so, give the aspects considered for inclusion in the plan.

Yes, our institute has a formal perspective plan for development in the next five years. Some of the key aspects of our five year development plan (2016- 20) are given below:

- a) Infrastructure
- b) Construction of new laboratories.
- c) Construction of girls hostel.
- d) Construction of seminar hall.
- e) Renovation of Principal chamber.
- f) Renovation of examination control room.
- g) Construction of main gate and boundary.

6.2.3 Describe the internal organizational structure and decision making processes.

We have a vibrant planning committee comprising senior members of the faculty with the Principal as the chairman. The plan perspectives are implemented by the Development Committee under the guidelines of the University. For example, the construction works (infrastructure) are

supervised by the Engineering Section of the University. As per plan perspectives, decisions for opening a new course/department are taken by the planning section. This decision is sent to the University for Approval through proper channel. The Hon'ble Chancellor takes the final decision on this matter.

6.2.4 Give a broad description of the quality improvement strategies of the institution for each of the following

Teaching & Learning - This aspect has been discussed in the preceding chapters. Broadly, the quality management strategies are developed by the IQAC of the college that comprises of several members. Teaching and learning is the most significant area which is under our strict vigil. All the classes (theory and practical) are conducted as per time table; There are two basic levels at which teaching and learning is monitored

(i) The Heads of department strictly implement the time table; The classes of teachers who are absent/on duty leave are arranged in such a way that students do not suffer academically,.

(ii) Our teachers regularly attend refresher/orientation/seminar/workshop /conference to improve and enrich their knowledge and experience. They come back with new zeal and contribute their best to teaching and research.

Research & Development - Most of the teachers of our college are Ph.Ds. they are engaged in several types of research works.

Community engagement - Our college not only cares for campus development but we are also sensitive to social environment. Many teachers with groups of selected students are involved in national/social uplift programme. We also try our best to respond to the environmental needs. Recently we sponsored tree plantation drives outside our college campus, and did extensive plantation on the campus, to enhance green vegetation cover. In order to check the loss of potable water we put the municipal water tapes in order. We also make sincere efforts to see to it that underground water level is recharged by the rain water.

Human resource management - In our institution there are 03 major categories of human resources (HR) –

(i) Teaching, (ii) Non-Teaching, and (iii) Students human resources.

These three categories of HRs are managed in the following ways -

(i) Teaching staff – They are working in different committees of the college for disposing teaching and extracurricular activities.

(ii) Non-teaching staff – They have been allotted different official works for their disposal under the supervision of Section Officer.

(iii) Students – Students are used in performing social activities through NSS, NCC and by making committees whenever needed.

Industry interaction - We are making sincere endeavor to rope in industrial personnel to be involved in our planning and development.

6.2.5 How does the Head of the institution ensure that adequate information (from feedback and personal contacts etc.) is available

for the top management and the stakeholders, to review the activities of the institution?

The Principal holds meetings of HODs of Departments. Decision and policies taken in the meeting are implemented by Heads of Departments. The staff meeting for all the teachers is held regularly. Controller of Examinations coordinates the various Exams.

6.2.6 How does the management encourage and support involvement of the staff in improving the effectiveness and efficiency of the institutional processes?

As mentioned in the preceding points, faculty of the college is involved in most of the activities of the institution. We have several non-teaching staff members also who contribute as members in various committees particularly where direct academic activities are not involved. For example, campus safety, admission of students in the college and hostels, games and sports etc.

6.2.7 Enumerate the resolutions made by the Management Council in the last year and the status of implementation of such resolutions.

The college is a constituent unit under T.M. Bhagalpur University, Bhagalpur. The college takes resolutions through development committee and implements in the functioning of the college.

6.2.8 Does the affiliating university make a provision for according the status of autonomy to an affiliated institution? If ‘yes’, what are the efforts made by the institution in obtaining autonomy?

No such action is taken by the college

6.2.9 How does the Institution ensure that grievances / complaints are promptly attended to and resolved effectively? Is there a mechanism to analyze the nature of grievances for promoting better stakeholder relationship?

Our college takes grievances/complaints of stakeholders during the formal meetings. These issues/complaints are placed before the management committee where the experts analyze the nature of grievances and measures to redress them effectively. This is how we strike a healthy relationship with our stakeholders.

6.2.10. During the last four years, had there been any instances of court cases filed by and against the institute? Provide details on the issues and decisions of the courts on these?

During the last 04 years there has been no instance of court cases filed against this institution.

6.2.11 Does the Institution have a mechanism for analyzing student feedback on institutional performance? If ‘yes’, what was the outcome and response of the institution to such an effort?

Yes, we have been obtaining students’ feedback on the departmental/institutional performances. The grievances raised in these feedback papers have been analyzed and adequate decisions have been taken to

redress them. For example, at several places in the college premises purified and cold drinking water facilities have been installed.

6.3 FACULTY EMPOWERMENT STRATEGIES

6.3.1 What are the efforts made by the institution to enhance the professional development of its teaching and non teaching staff?

There are several levels at which professional enrichment of officials, particularly of the teaching communities have been geared up. For example, teachers are regularly encouraged to participate in the orientation/ refresher courses/workshops/seminars/conferences. Recently we have initiated a drive to encourage teachers to obtain project grants from various funding agencies. This is obvious from the Self Appraisal Reports of many teachers of the institution. In addition, we have set up computer system with internet facilities in several departments and the library. The teachers are being encouraged to learn computer application and take maximum advantage of the knowledge gathering system. Power Point Presentation and smart classes are some of the means by which the teachers are empowered to contribute their best in teaching and research. Non-teaching staff members are similarly encouraged to get convincing training in computer application so that their working efficiency goes up and a new smart work culture develops in our campus. Each official is assigned duties as per his/her capabilities.

6.3.2 What are the strategies adopted by the institution for faculty empowerment through training, retraining and motivating the employees for the roles and responsibility they perform?

The efforts have really brought our smart changes in their professional thinking and behaviour. Most of the teachers are getting self inspired to perform their best in all spheres of their regular and assigned duties. So are the non-teaching staff members.

6.3.3 Information on multiple activities is appropriately captured and considered for better appraisal Provide details on the performance appraisal system of the staff to evaluate and ensure that.

In our institution the performance appraisal system is primarily linked to promotion of the concerned staff. The appraisal reports presented by the individual staff members are first scrutinized and authenticated. Wherever necessary, the Principal may instruct the members to include important events that have been overlooked. After being fully satisfied the reports are signed. This is how better appraisal reports are ensured by the institution.

6.3.4 What is the outcome of the review of the performance appraisal reports by the management and the major decisions taken? How are they communicated to the appropriate stakeholders?

No any such type of issue occurred till now.

6.3.5 What are the welfare schemes available for teaching and non teaching staff? What percentage of staff have availed the benefit of such schemes in the last four years?

It is a Constituent college. Only salary based grant is being received by the HRD, Govt. of Bihar under the salary head.

6.3.6 What are the measures taken by the Institution for attracting and retaining eminent faculty?

In order to attract and retain eminent faculty member, we facilitate them easy access to library, research facility, good research scholars, safe campus with healthy atmosphere. On top of all these,, we have developed a good congenial environment for best contribution in our institute.

6.4. FINANCIAL MANAGEMENT AND RESOURCE MOBILIZATION

6.4.1 What is the institutional mechanism to monitor effective and efficient use of available financial resources?

We have an effective system of making the best possible use of financial resources. As per the govt. rules the University occupies the key position in the economic management of the institution. In the descending order, the financial management officials are (i) Principal, (ii) Bursar, (iii) Accountant and (iv) Head clerk. The financial transactions are initiated by the office assistant that reach the University/Principal through Accountant and the Bursar. These checks and balances the available financial resources are efficiently managed.

6.4.2 What are the institutional mechanisms for internal and external audit? When was the last audit done and what are the major audit objections? Provide the details on compliance.

- The college has a mechanism for external audit.
- The external audit is carried out by a Government auditor appointed by the University administration.
- There were no major objections raised by the auditor.
- Audit done for the financial year 2015-16 and we are on way to

complete our audit for financial year 2016-17.

6.4.3 What are the major sources of institutional receipts/funding and how is the deficit managed? Provide audited income and expenditure statement of academic and administrative activities of the previous four years and the reserve fund/corpus available with Institutions, if any.

- The usual source of income of the college is mainly fees collected from the students. Various grants under the UGC schemes and Pay-packets and others from the state government are other sources of receipts.
- The college always maintains a balanced budget.
- Audited income and expenditure statement of academic and administrative activities of the previous four years.

6.4.4 Give details on the efforts made by the institution in securing additional funding and the utilization of the same (if any).

We are prompt and punctual in compliance with the funding agency. When, we come to know the availability of funds from the funding agencies like the U.G.C. or the state government, applications for the grant is sent duly in time and its utilization is also sent in time to keep the institution in good faith of the funding agency.

6.5 Internal Quality Assurance System (IQAS)

6.5.1 Internal Quality Assurance Cell (IQAC) a. Has the institution established an Internal Quality Assurance Cell (IQAC)? .6 If ‘yes’, what is the institutional policy with regard to quality assurance and how has it contributed in institutionalizing the quality assurance processes?

a) Has the institution established an Internal Quality Assurance Cell (IQAC)? If ‘yes’, what is the institutional policy with regard to quality assurance and how has it contributed in institutionalizing the quality assurance processes?

The IQAC has been established in 27/02/2017. The IQAC provides the quality benchmarks for the various academic and administrative activities of the Institution. It monitors promotion and innovations in co-curricular and extra-curricular activities of the Institution.

b) How many decisions of the IQAC have been approved by the management/authorities for implementation and how many of them were actually implemented?

Since the IQAC has been constituted recently only two meeting of IQAC have been held and the college authority is in agreement with all the decisions of the IQAC and have started implementing them accordingly.

c) Does the IQAC have external members in its committee? If

so, mention any significant contribution made by them.

The IQAC has one external members who helped in framing different steps for the improvement of the academic environment of the college.

d) How do students and alumni contribute to the effective functioning of the IQAC?

The views of students and alumni members are communicated to the IQAC so that effective measure may be taken.

e) How does the IQAC communicate and engage staff from different constituents of the institution?

All teachers, non-teaching staff and students are always in synergistic communication with IQAC and engage themselves for betterment of the institution as suggested by IQAC.

6.5.2 Does the institution have an integrated framework for Quality assurance of the academic and administrative activities? If ‘yes’, give details on its operationalisation.

The college has several committees like Academic Committee, Teachers’ Council and Finance Committee that work in unison to achieve the common goal i.e. the quality assurance in the academic and administrative domain.

6.5.3 Does the institution provide training to its staff for effective implementation of the Quality assurance procedures? If ‘yes’,

give details enumerating its impact.

The college authority encourages the participation of the faculties in Orientation and refresher courses to equip them for the dereliction of their academic responsibilities in an effective manner through propagation of updated knowledge base.

6.5.4 Does the institution undertake Academic Audit or other external review of the academic provisions? If ‘yes’, how are the outcomes used to improve the institutional activities?

Year-wise performance of our students is reviewed in the meetings of Departmental Committees, Academic Committee and Teachers’ Council to indentify the strengths and weaknesses and strategies are made towards resolving the same.

6.5.5 How is the internal quality assurance mechanisms aligned with the requirements of the relevant external quality assurance agencies/regulatory authorities?

Measures are taken as per UGC, Higher Education cell of the State Government and University guide-lines for improvement.

6.5.6 What institutional mechanisms are in place to continuously review the teaching learning process? Give details of its structure, methodologies of operations and outcome?

IQAC has been constituted to monitor the teaching-learning process and started working to improve the same. Some class rooms have

been equipped with audio visual aids. Wi-Fi connections have been installed on priority basis. The college invites evaluation by the students regarding the department, faculty and the college as a whole. Their evaluation is expected to be discussed in IQAC for necessary improvement.

6.5.7 How does the institution communicate its quality assurance policies, mechanisms and outcomes to the various internal and external stakeholders? Any other relevant information regarding Governance Leadership and Management which the college would like to include.

The quality assurance policies of the institution are communicated to the internal stakeholders by the members of IQAC. Later on the policies are discussed in details in the meetings of the Academic Committee and Teachers' Council. IQAC has planned to communicate its quality assurance mechanisms to the guardian of the students at the time of new admission. The IQAC report is also hosted on college website.

CRITERIA VII:

INNOVATIONS AND BEST PRACTICES

7.1 Environment Consciousness

7.1.1 Does the Institute conduct a Green Audit of its campus and facilities?

There is no formal mechanism for Green Audit in the college. However, the Institution takes all possible steps to make the campus eco-friendly. The college campus is heavily planted with fruits plants and varieties of flora and fauna. The use of plastic bags is avoided in the campus. The entire campus is a no-smoking zone. All rough work is carried out in used stationery.

7.1.2 What are the initiatives taken by the college to make the campus eco-friendly?

Energy Conservation:

The college class rooms are naturally well lighted and ventilated and rarely require electric light. The departments take care to see that no electrical equipment or gas runs unnecessarily. The College installs a spirit of energy saving in all stakeholders, particularly among the students. CFL / LED bulbs are used in different departments. To save energy college already installed Solar Light System in all important places in the campus.

Effort for carbon neutrality:

The College in its own capacity has taken measures to check the emission of carbon dioxide. The use of coal as fuel in the canteen has been banned and replaced by gas. We are now aware of

carbon-credits and are replacing all incandescent bulbs with tube lights and CFLs. Air conditioners and other cooling machines are installed and are used as and when absolutely necessary (e.g., maintenance of computers, preservation of degradable animal/a biogenic samples).

Plantation:

The college campus is lush green with heavy plantation of fruit plants, flowers, hedges and medicinal plants. The N.S.S. constantly encourage and enlighten students about the benefits of afforestation.

Hazardous and e-waste management:

Waste chemicals in the Chemistry laboratories are properly disposed by dissolving them in water or by keeping them separately in protected sheets. The laboratories are fitted with fume cupboards and exhaust fans to control spread of gas fumes. In a further step towards this direction, the current chemistry practical syllabus has reduced the use of toxic chemicals and solvents. All e-waste is handed over to the companies engaged in recycling of e-waste.

Other Activities:

- The College organizes seminars and lectures on contemporary environmental issues.
- The NSS & NCC holds debates, talks and quiz on different issues regarding environment.
- Students have participated in poster presentation on water

harvesting.

- Students actively participate in public health programmes like control of AIDS, polio awareness programme.

7.2 Innovations

7.2.1 Give details of innovations introduced during the last four years which have created a positive impact on the functioning of the college.

- **College Website:** All relevant information is available on the college website. It has helped the students especially during admission.
- **Computerization of the administrative work:** This has helped to optimize the use of man power. All relevant documents can be preserved and tracked readily.
- **Feedback system:** Feedback on the college, departments and the performance of teachers is taken from regular third year outgoing honours students. Analysis of data is used for improvement as well as encouragement. This helps to understand both the strengths and the weaknesses of the faculty.
- **ICT enabled teaching and learning:** A student-friendly curriculum delivery is ensured through the adoption of modern trends in teaching-learning process using computers and audio-visual aids parallel to the classical system of lecturing using chalk and board method. For this, the departments are provided with desktop and laptop computers with internet facilities. Some departments use specific software as required by the curriculum.
- **Inter-departmental exchange of faculties:** This practice improves quality of teaching and allows optimum utilization of in-

house expertise, particularly addressing the interdisciplinary topics introduced in the revised syllabus.

- Installation of audio system: All the larger class rooms are equipped with audio facilities for the benefit of teacher and student alike.
- **Renovation of infrastructure and computerisation of library and other improvements:** The library has been renovated and reorganised for maximum utilisation of space. Computerisation of library is under process to ensure computerised transactions and access to E-journals etc. The automated processing is being carried out using LIBSYS Software to acquire INFLIBNET facilities.
- **Academic innovations:** The College is aware of the emerging areas of study. Due to the constraint of space and time, it is very difficult to incorporate these new subjects as full-time courses. Hence such topics are presented to students in the form of short modules/seminars/workshops. Number of students attending such programmes is highly satisfactory.

We have introduced soft skill development programmes and workshops on entrepreneurship management for outgoing students to get them acquainted with the job market. Some departments of the college organise student seminars to develop the skill of public speaking and to encourage research abilities. Students also participate in events like mock parliament.

- The College has organized compulsory computer literacy programme within college hours for the 1st year students to impart knowledge of basic computer skills.

- We have career counselling programmes and interested students are sent for summer projects.

7.3 Best Practices

7.3.1 Elaborate on any two best practices in the given format at page no. 98, which have contributed to the achievement of the Institutional Objectives and/or contributed to the Quality improvement of the core activities of the college.

Best Practice-1: Empowerment of Women through Quality Education.

❖ Goals

The college engages in women's empowerment through education practices with the following objectives:

- To enable students to appreciate and understand the essential role played by women in society and the work force.
- To assess the needs of economically challenged students and first generation learners and help them to achieve their academic goals.
- To understand and address through counseling both academic and psychological problems faced by the students.
- To create a friendly and conducive learning environment for the students.

- To provide moral support to students from repressed and emotionally unstable environments.
- To motivate students to perform better through prizes and scholarships.

❖ **The context**

We believe that education is the most important tool for women's empowerment. Educating a woman is equivalent to educating a family, and consequently the entire nation. Women have a significant contribution in the present workforce. Even as homemakers, they play an essential role in educating their children and giving them a firm moral foundation. The college acknowledges the greater responsibility associated with women's education and makes utmost effort not only to create an environment conducive to learning for all the students, but also to equip them with moral values and skills which will support and sustain them throughout life. As women from economically weaker sections of the society confront greater difficulties in pursuing higher education, various supports is extended to them to realize their potential and fulfill their dream of establishing themselves as valuable members of society through quality education.

❖ **The Practice**

The college takes the following steps towards the

empowerment of women:

Our college extends financial support to meritorious but economically disadvantaged students in the form of tuition fee concessions (full/partial). Although free studentships are mostly granted on merit-cum-means basis, the conditions are relaxed for students who do not fulfill the criteria of merit but will be unable to continue their education without financial aid.

- Students of the college incapable of paying University examination or excursion fees but not fulfilling the criteria for free studentship are supported by funds raised from contributions from teachers. The admission fees for meritorious but economically disadvantaged students are often paid from these funds. After admission, such students are immediately recommended for free studentship.
- The Students' Welfare Cell provides support and counselling on academic and psychological matters. The students are sometimes directed to organizations providing formal therapeutic help in such cases. They are encouraged to complete their education and become self-reliant.
- Besides this, the students regularly seek personal advice on academic and psychological matters from the teachers of their departments. The teachers frequently remain after college hours to provide such counselling. Such intra-departmental counselling has proved to be extremely effective in improving the academic performance as well as the emotional stability of the students.

- The college also has a relaxed attendance policy for students who need to work to support their families. The teachers also lend their maximum support to such students.
- The college has a healthy mix of students from all communities and backgrounds that learn to coexist and work together in harmony. This promotes a sense of national integrity.

Best Practice 2: Sustained emphasis on co- and extra-curricular activities to stimulate all-round development

❖ Goals

The college engages in several co-curricular activities and education practices with the following objectives:

- To encourage the holistic development of students
- To explore and bring to fruition the latent potential of each student and to provide an ambience for creative expression
- To provide a platform which facilitates smooth transition from college campus to higher education or the professional sector
- To provide optimum exposure to the cultural environment and develop a sense of cultural belonging
- To promote goodwill and interaction among all students and teacher-student interaction
- To inculcate the values of discipline and moral character
- To expose the students to new ideas of research and development

- To develop leadership skills and organizational abilities

❖ **The context**

The motto of our college has been “***Knowledge leads to happiness***” every effort has been made by our college to tap the hidden potential in the students and inculcate good human values. Since its inception, the college has been tirelessly engaged in the task of creating a long and illustrious lineage of women achievers in every field of life. In order to achieve this purpose of all-round individual development, mere academic pursuit is not adequate. Therefore, alongside the curricular programmes, extracurricular activities have been designed to ensure their cultural and moral well being. The college considers it its duty to provide value -based education and life–skills which will help to create individuals who can not only adapt themselves easily to an ever-changing society but can also provide leadership and guidance when necessary.

The Practice

Co- and extra-curricular Activities

The college has always believed that an all-round educational development can only take place through a holistic approach. In this context, the college has taken the following steps:

- The Fresher’s Welcome is annually held in a 100% ragging-free environment. This is achieved by encouraging equal participation of the seniors and the new entrants in designing the programme.

This fosters a strong bond between freshers and seniors and creates a friendly ambience.

- The college upholds Indian tradition and heritage in all such events. In the present scenario of steadily degrading social values, our college has been able to maintain distinction with regards to the quality and nature of such programmes. A strict discipline is followed during these programmes. Active participation of teachers and their valuable guidance during the same also ensures meaningful achievements. These cultural programmes have been the platform where a lot of our students have discovered and realized their love for performing arts which they have pursued professionally later in their lives.
- The college organizes a number of extension lectures other than departmental activities and UGC sponsored seminars and seminars. With the help of NSS &NCC
- The college also organizes visits to radio and television stations to provide the students a hands-on experience of the operations of such media houses. Moreover, the college also organizes the internship of many students in prestigious media and corporate houses to empower them with job readiness.

The college regularly observes the birth and death anniversaries of personalities of national interest like freedom fighters, scientists, moral leaders, educationists, poets, writers etc. with a view to provide role models to the student community.
- The students are encouraged to attend camps and in-house and off-campus workshops conducted by NSS

- The literary talents of the students find expression in the annually published college magazine and the wall magazines of the different departments.

❖ Evidence of Success

The quality education imparted by the college has resulted in it becoming one of the most sought after institutions for higher studies. This is reflected in the increased number of students admitted to the college each year. Over the years many students have benefitted from these practices and have been able to successfully complete their education as a result. Moreover, our efforts have also made it possible for many students to tackle their personal and emotional problems and rise above them to carve out their individual identity. Our college is proud to have as its alumni countless prominent figures in the fields of academics, literature, art and culture, politics, administration and law, sports. They have not only carved out a niche for themselves but have also upheld the name of the college by utilizing the opportunities given to them. Their exemplary achievements have brought honour and glory to the college and reaffirmed its faith in the best practices mentioned above.

We must have life building, man making, and character making assimilation of ideas. If you have five ideas and make them your life and character, you have more education than any man who has got by heart a whole library.”

Problems Encountered and Resources Required

The primary constraint in the implementation of the practices mentioned above is the shortage of time and space and the timely detection of students' needs.

- The college has to contend with a growing number of students and shortage of staff. This severely impedes the much needed one-to-one interaction between teacher and student.
